Celebrating Your Drivers During National Truck Driver Appreciation Week

Our insureds have the safest trucking operations in the nation, which starts with drivers who take their responsibility to keep our roads safe seriously. We want to celebrate your drivers' commitment to safety by helping you recognize them during this year's National Truck Driver Appreciation Week.

We are offering your company the opportunity to participate in a giveaway program. Requesting insureds may receive a gift box, including a selection of items, that can be used as a raffle prize or giveaway items for their drivers during NTDaw. Gift boxes may vary, but some of the items that may be received are:

- Touchscreen Mechanics Gloves
- Carhartt Trucker Hat
- Soft Sided Cooler
- Oversized Wool Sherpa Blanket
- Rechargeable Micro Flashlight
- JBL Portable Speaker
- \$200 Visa Gift Card
